*The buyer should be aware that this examination does not encompass an in depth evaluation of the horse's temperament, ability, or aptitude for a particular discipline. It describes the horse's health and soundness on the day of examination. A routine prepurchase examination may not reveal subtle unsoundnesses, especially if the horse has not been in hard/consistent work in the preceding months. Some conditions, such as mild recurrent airway obstruction ("heaves"), mild vision impairment, early PPID ("Cushing's Disease), digestive disorders predisposing to colic signs, and muscle disorders such as equine polysaccharide storage myopathy ("tying up") may not be apparent during an examination. Buyer acknowledges that a material condition of Hawthorne Veterinary Clinic's agreement to perform this prepurchase examination is buyer's agreement to release, waive and discharge Hawthorne Veterinary Clinic, its veterinarians and employees from all claims arising directly or indirectly from the performance of the prepurchase examination; this is a promise by buyer not to sue. I have read this agreement, "Prepurchase Examination – Liability Release Agreement," and fully understand its terms. I intend my signature to be a complete and unconditional liability release to Hawthorne Veterinary Clinic, LLC.
